The Meeting Spot

Join us for a conversation, social connection, and community engagement. The Meeting Spot is a safe, inclusive, peer-led virtual support group that operates from Monday through Friday every month. Here, we strive to maintain a welcoming environment where you will find support and understanding from others who share similar experiences.

Exploring Emotions & Behaviours

This virtual group will challenge negative emotions and share coping strategies to promote our wellness. Peers will be asked to share a troubling experience and the group will work together to come up with solutions. Join us every Tuesday from 1:00 pm – 2:30 pm.

Family Support Drop in

A safe and non-judgmental space where family members can share experiences supporting loved ones with mental health and addictions challenges. Find resources and referrals, and a community to support your family, listen and understand what you are going through. This group runs every 1st and 3rd Tuesday of the month from 7pm-9pm.

Tough Stuff – All Inclusive Addictions Group

Tough Stuff supports peers with challenges with substance use, food, and behaviours. This is a safe space for open and honest discussions, meet others with lived experience-who know how you feel! This group will identify what triggers us as well as share coping strategies. Join us every 2nd and 4th Tuesday of the month from 5pm-6:30pm.

Mindfulness

Explore coping strategies to find moments of calm, inner peace, and healing in your day. Mindfulness is being fully aware of what is happening in the present moment without filters and judgements. Together, we develop compassion for ourselves and learn how to breathe during stressful moments.

This group runs every 1st & 3rd Monday of each month from 1:00pm – 2:30pm.
